Raíces y Futuro: Honoring Our Roots, Leading Our Future

LíderCon, presented by LatinoLEAD, made its debut in 2021 as a digital leadership conference, featuring esteemed figures like Dolores Huerta and Alex Rodriguez. From these innovative, virtual beginnings, our journey has evolved with boundless energy and collaboration. In 2022, we marked a significant milestone, hosting our first in-person conference, where we were honored to host Pulitzer Prize Winner, María Hinojosa, Google's Juan Angustia, Author and Actor Christopher Rivas, and award winning filmmaker, Denis Soler Cox, as keynotes, enriching the bonds and interactions within our LatinoLEAD network.

In 2023, we had the privilege to host guest speakers like, Melody Gonzales, Executive Director of White House Hispanic Initiative, Wendy Unglaub, VP, Chief Tax Officer at General Mills, Gaby Natale, Three-Time Emmy Award Winning Journalist and Richard A. Rugnao, Founder of RAR Media.

As we convene this year, we not only celebrate the evolution of LíderCon, but also express our profound gratitude for the unwavering support from our attendees, sponsors, session facilitators, and the expansive LatinoLEAD community. The dedication of each individual has been a driving force in shaping this conference and advancing our collective mission forward.

LíderCon is not just a gathering, but a vibrant space to celebrate culture in community, immersing ourselves in enriching leadership development breakout sessions, invaluable networking, and abundant leadership opportunities. This year we are advancing your leadership!

OUR WORK IS SIMPLE. WE L.E.A.D.

A LETTER FROM OUR CEO

¡Hola líderes!

As we kick off Latine Heritage Month, it's a moment for us to highlight our history, our cultura, and our unstoppable excellence from the rooftops! But, let's be real—this year, many of us are holding uncertainty in our hearts. We can hold both truths at once, can't we? The pure joy of who we are, and the grit it takes to face our challenges. **We are so much more than stories of struggle—we are visionaries, innovators, and game-changers.** So, let's celebrate how our beautiful cultura shapes every part of this country. We always have, and that's the truth.

And on that note... get ready! On behalf of our Board of Directors and the entire LatinoLEAD team, I am absolutely thrilled to welcome you to **LíderCon 2025: Raíces y Futuro.** We're here to celebrate LíderCon's 5th Anniversary. This year, we're honoring our roots and powerfully creating our future, grounded in the wisdom of our past and inspired by every possibility ahead!

A huge, heartfelt thank you to our host partner, Metro State University, for making this milestone event possible. **Remember, LíderCon was built with YOU in mind!** This is the ultimate space where *nuestra comunidad* can fire up new connections, ignite bold ideas, and activate one another to lead with courage, authenticity, and vision!

Your presence here today is a powerful statement. It's a commitment to your own *desarrollo*, to our collective leadership, and to building a brighter, more equitable future for everyone. So, let's make some noise and take action! Thank you for being a part of this historic moment. **Together, we celebrate five years of incredible impact and step into the future, juntos!**

5th Anniversary LÍDERCON

LatinoLEAD is honored to welcome **Mana Moini** as the **Master of Ceremonies** for our **5th Anniversary LíderCon 2025**.

Arriving in Minnesota as a young immigrant at just 10 years old, Mana has spent over two decades navigating corporate America and leadership spaces that often raise the same questions many of us hold: *Do I belong? Do I deserve a seat at the table?* Today, as host of the **Humanaty Podcast**, she explores these very questions, creating space for purpose, authenticity, and community.

What began as an invitation to join LíderCon as an ally has become a realization that her journey mirrors so many of ours. This year's theme, **Raíces y Futuro—honoring our roots and leading our future**, deeply resonates with Mana, reminding us that the wisdom of our heritage can guide us in shaping the challenges and opportunities of today.

We are grateful for Mana's leadership and voice, and we are privileged to have her guide us through this transformational experience.

LatinoLEAD is proud to welcome **Dr. Ginny Arthur, President of Metropolitan State University, to LíderCon 2025.** A visionary leader in higher education, Dr. Arthur has dedicated her career to advancing equity, access, and opportunity for all students.

Under her leadership, Metro State has continued to serve as a vital institution for Minnesota's diverse communities—championing first-generation students, creating pathways for underrepresented learners, and ensuring that higher education remains a tool for empowerment and transformation.

Her commitment reflects the very values at the heart of LíderCon: lifting up communities, honoring lived experiences, and building a more inclusive future. It is an honor to have Dr. Arthur with us as we celebrate Raíces y Futuro—honoring our roots and leading our future.

LatinoLEAD is honored to welcome **Minnesota Attorney General Keith Ellison to LíderCon 2025**. A lifelong champion for fairness, dignity, and justice, Attorney General Ellison's leadership reflects the deep strength of our communities and the shared belief that equity must be at the heart of Minnesota's future.

His work as Attorney General is rooted in ensuring that every Minnesotan has access to justice—not just as an aspiration, but as a lived reality. This aligns powerfully with this year's theme, **Raíces y Futuro—honoring our roots and leading our future**. Like our community, he knows that the wisdom and resilience of our roots are what empower us to meet today's challenges and shape a more inclusive tomorrow.

We are proud to have Attorney General Ellison join us in lifting up leaders who are not only advancing their own journeys, but also building a Minnesota where justice and equity are shared by all.

LatinoLEAD is honored to welcome **Lt. Governor Peggy Flanagan to LíderCon 2025**. A proud daughter of St. Louis Park and citizen of the White Earth Nation of Ojibwe, Lt. Governor Flanagan has long been a powerful voice for children, families, and communities across Minnesota.

As one of the highest-ranking Native American women elected to executive office in the United States, she has dedicated her career to advancing equity, opportunity, and justice. Her leadership is rooted in the belief that government should reflect the people it serves and should center the voices of those most impacted by policy decisions.

Her commitment resonates deeply with this year's theme, *Raíces y Futuro*—honoring our roots and leading our future, reminding us that honoring heritage and community wisdom is essential to shaping a stronger, more inclusive Minnesota. We are proud to have Lt. Governor Flanagan join us in celebrating our roots while leading boldly into the future.
